1. Nature of Operations

Galway Metals Inc. ("the Company") was incorporated pursuant to the Business Corporations Act (New Brunswick) on May 9, 2012, and continued to the Province of Ontario on July 21, 2015. The Company's head office is located at 82 Richmond Street East, Toronto, Ontario, M5C 1P1.

The Company is in the process of exploring the Clarence Stream and Estrades gold and polymetallic projects, located in New Brunswick and Quebec, respectively, and has not yet determined whether its mineral properties contain mineral reserves that are economically recoverable. The continuing operations of the Company and the underlying value and recoverability of the amounts shown for mineral properties are entirely dependent upon the existence of economically recoverable mineral reserves, the ability to obtain the necessary financing to complete the exploration and development of the mineral property interests and on future profitable production or proceeds from the disposition of the mineral property interests.

The Company's common shares commenced trading on the TSX Venture Exchange under the symbol "GWM" on January 4, 2013.

2. Accounting Policies

Statement of Compliance

These unaudited condensed interim financial statements have been prepared in accordance with International Accounting Standard 34, Interim Financial Reporting. Accordingly, they do not include all of the information required for full annual financial statements required by IFRS as issued by IASB and interpretations issued by IFRIC. These unaudited condensed interim consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements for the year ended December 31, 2018.

These unaudited condensed interim consolidated financial statements were authorized for issuance by the Board of Directors of the Company on November 22, 2019.

Basis of Presentation

In the preparation of these unaudited condensed interim consolidated financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of expenses during the period. Actual results could differ from these estimates.

Basis of Consolidation

These consolidated financial statements incorporate the financial statements of the Company and its wholly owned subsidiaries, Galway Resources US Inc, and Nyak Resources Inc. All intercompany transactions, balances, income and expenses are eliminated upon consolidation.

Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the chief executive officer of the Company. The Company has determined that it has one operating segment, the acquisition, exploration and development of mineral resource properties in Canada.

2. Accounting Policies (Continued)

Accounting Pronouncements Adopted During the Period

In January 2016, the IASB issued IFRS 16, Leases (IFRS 16). IFRS 16 is effective for periods beginning on or after January 1, 2019, with early adoption permitted. IFRS 16 eliminates the current dual model for lessees, which distinguishes between on-balance sheet finance leases and off-balance sheet operating leases. Instead, there is a single, on-balance sheet accounting model that is similar to current finance lease accounting. The Company adopted this standard on January 1, 2019, with no impact on its condensed interim consolidated financial statements.

There are no other relevant IFRSs or IFRIC interpretations that are not yet effective that would be expected to have a material impact on the Company.

10. Contingency

On July 27, 2015 the Company announced that it has been named as a defendant in a legal proceeding commenced by Vic Alboini in the Ontario Superior Court of Justice, Court File No.: CV-15-532630 (the "Alboini Claim"). The Alboini Claim seeks general damages for defamation in the amount of \$2,000,000, punitive, aggravated and exemplary damages in the amount of \$400,000, as well as certain other relief, regarding alleged libel in an amended management information circular dated May 12, 2015 and a press release issued on May 14, 2015. The statements in question were subsequently clarified in a press release issued on June 26, 2015 and a notice to shareholders mailed to shareholders on or about June 26, 2015, after receiving a libel notice from Mr. Alboini. Galway intends to vigorously defend this action. The Company believes the claim is without merit, and the claimant has not advanced the claim since 2015.

On June 19, 2017, the Company announced that it had received a Notice of Action issued in the Ontario Superior Court of Justice, Court File No.: CV-17-577025 (the "Action") pursuant to which Jaguar Financial Corporation and Mr. Vic Alboini (collectively, the "Plaintiffs") have sued Galway, its directors and another shareholder (collectively, the "Defendants"). Pursuant to the Action, the Plaintiffs alleged that they were oppressed by the Defendants regarding certain matters relating to shareholder meetings held in 2015 at which nominees of Jaguar Financial Corporation were proposed for but did not obtain seats on the board of Galway. Plaintiffs also alleged that they "missed the opportunity of making a gain" due to Jaguar Financial Corporation's sale of shares of Galway before increases in the trading price of shares of Galway. The Plaintiffs are seeking damages in the amount of \$2,700,000 and certain other relief. Galway believes that the Action has no merit and intends to defend the Action. Galway has notified its insurers on behalf of itself and its directors.
